

SAIS Europe Integration Fund – Joint Research Projects

Project Title and Applicant Team

Please, provide the project title, the JHU co-lead (name, school, campus, contact), the SAIS Europe lead, and any additional team members.

Abstract (≤ 250 words)

Please, provide us with an abstract of your joint research project summarizing the joint research project, highlighting the central questions, methods, and expected contribution to the field.

Project Narrative

Briefly outline the project's background and significance, main objectives, and methodology (data sources, design, analysis). Describe team collaboration: division of tasks and planned virtual/in-person meetings.

Milestones, Timeline & Deliverables

Please, list key milestones and an expected timeline. Include all anticipated deliverables (e.g., papers, policy briefs, datasets, workshops).

Budget & Justification

Please, provide a detailed budget. Include expenses for research travel (air/ground), lodging, data or archival access, dissemination, and the total amount requested from the Integration Fund. Note any cost-sharing or additional funding sources. For guidance, contact: sais.eu.integration@jhu.edu.

Other & Appendices

Please, note any special considerations (e.g., data security, IRB approval). Attach CVs for all team members (template available on the website).
